Ladies and Gentlemen:

The undersigned, Stone & Youngberg LLC (the "Managing Underwriter"), as representative of itself and Piper Jaffray & Co., as co-managing underwriters (together referred to herein as the "Underwriter"), acting on its own behalf and not as fiduciary or agent for the hereinafter defined District, offers to enter into this Bond Purchase Agreement (this "Purchase Agreement") with the Fresno Unified School District (the "District"), for the purchase by the Underwriter and sale by the District of the District's General Obligation Bonds, Election of 2010, Series B (the "Series B Bonds") and General Obligation Bonds, Election of 2001, Series G (the "Series G Bonds," and together with the Series B Bonds, the "Bonds"). This offer is made subject to acceptance by the District prior to 5:00 P.M., California time, on the date hereof, and upon such acceptance this Bond Purchase Agreement shall be in full force and effect in accordance with its terms and shall be binding upon both the District and the Underwriter.

1. **Purchase and Sale.** Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the District for reoffering to the public, and the District hereby agrees to sell to the Underwriter for such purpose, all (but not less than all) of $50,434,849.50 in aggregate principal amount of the Series B Bonds and $55,570,914.90 in aggregate principal amount of the Series G Bonds.

   The purchase price of the Series B Bonds shall be $52,148,790.01 (representing the principal amount of the Series B Bonds of $50,434,849.50, plus original issue premium of $2,085,549.45, less Underwriter's discount of $186,608.94, and less $185,000.00 to be applied by the Underwriter to satisfy its contractual obligation hereunder regarding payment of costs of issuance for the Series B Bonds, as set forth in Section 11).

   The purchase price of the Series G Bonds shall be $55,570,914.90 (representing the principal amount of the Series G Bonds of $55,570,914.90, plus original issue premium of $341,004.50, less Underwriter's discount of $205,612.38, and less

The District acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Purchase Agreement is an arm’s-length commercial transaction between the District and the Underwriter, (ii) in connection with such transaction, the Underwriter is acting solely as a principal and not as an agent or a fiduciary of the District, (iii) the Underwriter has not assumed (individually or collectively) a fiduciary responsibility in favor of the District with respect to (x) the offering of the Bonds or the process leading thereto (whether or not the Underwriter has advised or is currently advising the District on other matters) or (y) any other obligation to the District except the obligations expressly set forth in this Purchase Agreement and (iv) the District has consulted with its own legal and other professional advisors to the extent it deemed appropriate in connection with the offering of the Bonds.

2. **Authorizing Instruments and Law.** The Series B Bonds are issued as Current Interest Bonds and Capital Appreciation Bonds and the Series G Bonds are issued as Capital Appreciation Bonds (as such terms are defined in the hereinafter defined Official Statement).

The Series B Bonds will be issued pursuant to certain provisions of the Government Code of the State, commencing with Section 53506 thereof (the "Bond Law"), a resolution adopted by the Board of Education of the District adopted on June 15, 2011 (the "Series B Bond Resolution"), and pursuant to a Paying Agent Agreement, dated as of October 1, 2011 (the "Series B Paying Agent Agreement"), between the District and U.S. Bank National Association, as paying agent (the "Paying Agent"). The Series G Bonds will be issued pursuant to the Bond Law, pursuant to a resolution adopted by the Board of Education of the District adopted on August 24, 2011 (the "Series G Bond Resolution," and together with the Series B Bond Resolution, the "Bond Resolutions"), and pursuant to a Paying Agent Agreement, dated as of October 1, 2011 (the "Series G Paying Agent Agreement," and together with the Series B Paying Agent Agreement, the "Paying Agent Agreements"), between the District and the Paying Agent. The Bonds shall accrue or accrete interest at the rates, and shall mature in the years, and shall be subject to redemption, as shown on Appendix A hereto, which is incorporated herein by this reference.

The District will use the proceeds of the Bonds to finance the acquisition, construction and rehabilitation of educational facilities, as authorized in the specific list of projects approved in the respective ballot measures authorizing the Series B Bonds and the Series G Bonds, respectively.

3. **Public Offering.** The Underwriter agrees to make a bona fide public offering of the Bonds initially at the public offering prices (or yields) set forth in Exhibit A. Subsequent to the initial public offering the Underwriter reserves the right to change the public offering prices (or yields) as it deems necessary in connection with the marketing of the Bonds, provided that the Underwriter shall not change the interest rates set forth in Exhibit A. The Bonds may be offered and sold to certain dealers at prices lower than such initial public offering prices.
4. **Delivery of Official Statement; Continuing Disclosure.** Pursuant to the authorization of the District, the Underwriter has distributed copies of a Preliminary Official Statement, dated September 14, 2011, to prospective purchasers of the Bonds (the “Preliminary Official Statement”). By its acceptance of this proposal, the District hereby ratifies such use by the Underwriter of the Preliminary Official Statement; and the District agrees to approve the final Official Statement relating to the Bonds dated the date hereof (the “Final Official Statement”), and together with the Preliminary Official Statement, the “Official Statement”), which will consist of the Preliminary Official Statement with such changes as may be made thereto, with the approval of the District and the Underwriter, and to provide copies thereof to the Underwriter as set forth herein. The Underwriter hereby agrees to deposit the Final Official Statement with a nationally recognized municipal securities information depository. The District hereby authorizes the Underwriter to use and distribute, in connection with the offer and sale of the Bonds, the Official Statement, the Bond Resolution, the Paying Agent Agreement, this Bond Purchase Agreement and all information contained herein, and all other documents, certificates and statements furnished by the District to the Underwriter in connection with the transactions contemplated by this Bond Purchase Agreement.

To assist the Underwriter in complying with Rule 15c2-12(b)(5) of the Securities and Exchange Commission ("Rule 15c2-12"), the District will undertake, pursuant to a Continuing Disclosure Certificate (the "Continuing Disclosure Certificate"), to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of these undertakings is set forth in the Preliminary Official Statement and will also be set forth in the Final Official Statement.

5. **The Closing.** At 8:00 a.m., California time, on October 13, 2011 (the “Closing Date”), or at such other time or on such earlier or later business day as shall have been mutually agreed upon by the District and the Underwriter, the District will cause to be delivered (i) the Bonds, through the facilities of The Depository Trust Company, to the Underwriter, and (ii) the closing documents hereinafter mentioned at the offices of Jones Hall, A Professional Law Corporation ("Bond Counsel"), San Francisco, California, or another place to be mutually agreed upon by the District and the Underwriter. The Underwriter will accept such delivery and pay the purchase price of the Bonds as set forth in Section 1 hereof in immediately available funds. This payment and delivery, together with the delivery of the aforementioned documents, is herein called the “Closing.” The Bonds will be delivered in such denominations and deposited in the account or accounts specified by the Underwriter pursuant to written notice to the District not later than five business days prior to Closing.

6. **Representations, Warranties and Covenants.** The District represents to and agrees with the Underwriter that:

Agreements, the Continuing Disclosure Certificate and this Bond Purchase Agreement;

(b) when delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Bond Purchase Agreement, the Bonds will have been duly authorized, executed, issued and delivered and will constitute valid and binding obligations of the District in conformity with, and entitled to the benefit and security of the respective Bond Resolutions and the Paying Agent Agreements;

(c) by official action of the District prior to or concurrently with the acceptance hereof, the District duly approved the Bond Resolutions, the Paying Agent Agreements, the Continuing Disclosure Certificate and this Bond Purchase Agreement and authorized and approved the execution and delivery of, and the performance by the District of the obligations on its part contained in the Bonds, the Bond Resolutions, the Paying Agent Agreements, the Continuing Disclosure Certificate and this Bond Purchase Agreement;

(d) the execution and delivery of the Bonds, the Bond Resolutions, the Paying Agent Agreements, the Continuing Disclosure Certificate and this Bond Purchase Agreement, and compliance with the provisions on the District’s part contained in each of such items will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the District is party or is otherwise subject, nor will any such execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the properties or assets of the District imposed under the terms of any such law, administrative regulation, judgment decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument, except as provided by the Bond Resolutions or the Paying Agent Agreements;

(e) there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending or, to the best of the District’s knowledge after due inquiry, threatened against the District affecting the existence of the District or the titles of its officers to their respective offices or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds, the Bond Resolutions, the Paying Agent Agreements, the Continuing Disclosure Certificate or this Bond Purchase Agreement, or contesting the powers of the District to issue, enter into, adopt or perform its obligations under any of the foregoing;

(f) all approvals, consents, authorizations, certifications and other orders of any governmental agency, board, or commission having jurisdiction, and all filings with any such entities, which would
constitute conditions precedent to or the failure to obtain which would materially adversely affect the performance by the District of its obligations hereunder, under the Bond Resolutions or under the Paying Agent Agreements have been duly obtained and no further consent, approval, authorization or other action by any governmental or regulatory agency having jurisdiction over the District that has not been obtained is or will be required for the issue and sale of the Bonds or the consummation by the District of the other transactions contemplated by this Bond Purchase Agreement, except as such may be required under the state securities or Blue Sky laws in connection with the distribution of the Bonds by the Underwriter;

(g) the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order (i) to qualify the Bonds for offer and the sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate and (ii) to determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and will use its best efforts to continue such qualification in effect so long as required for distribution of the Bonds; provided, however, that in no event shall the District be required to take any action which would subject it to general or unlimited service of process in any jurisdiction in which it is not now so subject;

(h) the Preliminary Official Statement, at the date thereof, did not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. At the date hereof and on the Closing Date, the final Official Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. The District makes no representation or warranty as to the information contained in or omitted from the Preliminary Official Statement or the final Official Statement in reliance upon and in conformity with information furnished in writing to the District by or on behalf of the Underwriter through a representative of the Underwriter specifically for inclusion therein;

(i) the District shall notify the Underwriter of any event of occurrence that may affect the accuracy or completeness of any information set forth in the Official Statement relating to the Bonds until the date which is 25 days after the "end of the underwriting period" (as defined below), and the District will advise the Underwriter promptly of any proposal to amend or supplement the Official Statement and will not effect or consent to any such amendment or supplement without the consent of the Underwriter, which consent will not be
unreasonably withheld, and the District will advise the Underwriter promptly of the institution of any proceedings known to it by any governmental agency prohibiting or otherwise affecting the use of the Official Statement in connection with the offering, sale or distribution of the Bonds;

(j) if, after the date of this Bond Purchase Agreement and until 25 days after the end of the "underwriting period" (as defined below), any event occurs as a result of which the Official Statement as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements contained therein, in the light of the circumstances under which they were made, not misleading, and, in the reasonable opinion of the Underwriter, an amended or supplemented Official Statement should be delivered in connection with the offers or sales of the Bonds to reflect such event, the District promptly will prepare at its expense an amendment or supplement which will correct such statement or omission, and the District shall promptly furnish to the Underwriter a reasonable number of copies of such amendment or supplement. Unless the Underwriter otherwise advises the District in writing that the end of the underwriting period shall be another specified date (namely, such time as the Underwriter does not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public), the end of the underwriting period shall be the day of Closing;

(k) the Preliminary Official Statement heretofore delivered to the Underwriter is deemed final by the District as of its date and as of the date hereof, except for the omission of such information as is permitted to be omitted in accordance with paragraph (b)(1) of Rule 15c2-12, and the District has executed a certificate deeming the Preliminary Official Statement final for purposes of Rule 15c2-12 in the form of Appendix B. The District hereby covenants and agrees that within seven business days from the date hereof (or such earlier date such that the Underwriter can deliver the same to investors prior to the Closing), the District shall cause a final printed form of the Final Official Statement to be delivered to the Underwriter in sufficient quantity to comply with paragraph (b)(4) of Rule 15c2-12 and Rules of the Municipal Securities Rulemaking Board;

(l) any certificates signed by a duly authorized officer of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter, but not by the person signing the certificates, as to the statements made therein;

(m) the District will apply the proceeds from the sale of the Series B Bonds and the Series G Bonds for the purposes specified in the respective Bond Resolution, the respective Paying Agent Agreement and the Bond Law;
(n) the District has not, in the previous five years, failed to comply in all material respects with its undertakings under Rule 15c2-12;

(o) the District has had no financial advisory relationship with the Underwriter with respect to the Bonds, nor with any investment firm controlling, controlled by or under common control with the Underwriter;

(p) the financial statements of, and other financial information regarding the District contained in the Official Statement fairly present the financial position of the District as of the dates and for the periods therein set forth, (i) the audited financial statements have been prepared in accordance with generally accepted accounting principles consistently applied, (ii) the unaudited financial statements (if any) have been prepared on a basis substantially consistent with the audited financial statements included in the Official Statement and reflect all adjustments necessary to that affect, and (iii) the other financial information has been determined on a basis substantially consistent with that of the District's audited financial statements included in the Official Statement;

(q) insomuch as this purchase and sale represents a negotiated transaction, the District understands, and hereby confirms, that the Underwriter is not acting as a fiduciary of the District, but rather is acting solely in its capacity as Underwriter, for its own account and

(r) the District has been informed that the Managing Underwriter is expected to be acquired by Stifel Financial Corp. on or about October 1, 2011. The execution and delivery of this Bond Purchase Agreement by the District shall constitute a representation by the District to the Underwriter that the representations and warranties contained in this Bond Purchase Agreement are true as of the date hereof; provided that no member of the governing body of the District shall be individually liable for the breach of any representation or warranty made by the District in this Bond Purchase Agreement.

7. **Representations and Agreements of the Underwriter.** The Underwriter represents to and agrees with the District that, as of the date hereof and as of the date of the Closing:

(c) The Underwriter has, and has had, no financial advisory relationship with the District with respect to the Bonds, and no investment firm controlling, controlled by or under common control with the Underwriter has or has had any such financial advisory relationship.
