Lane Elementary School

Lane School is located at 4730 East Lowe and serves children of elementary ages, grades K-6. It first appears in the Fresno Unified School District directory in the school year 1952-53.

Frank M. Lane, for whom this school is named, was an early day Fresno school administrator and served for many years as principal of several early day Fresno grammar schools. He was greatly respected and admired by his students, staff and many citizens in the Fresno community.

Mr. Lane, along with several others including C. L. McLane and B. W. Lindsay, was an active protagonist for the establishment of a California State Normal School in Fresno, and was known for his efforts toward this goal in Sacramento as well as in Fresno during the years just preceding the turn of the century.
